

## The Long-Term Care Dilemma Seminar

Meet the experts and get the answers to inform your decision.

**Baby Boomers:**

Why should you consider long term care insurance NOW?

**The biggest mistake:**

Why waiting for the "right time" to plan for your medical needs may be too late, and too costly.

**If quality of life is your most important asset:**

Then now is the time to learn about suitable options.

---

## The New Face of Long Term Care Planning

**GUEST SPEAKERS:** **Natalie Karp, MBA, CLTC** and **Rona Loshak, MBA, CLTC** are highly accredited, award winning specialists in LTC Insurance. They are a Goldman Sachs 10,000 Small Business, Long Island Achievers' Honorees and recognized by The American Association of Long Term Care Insurers as top professionals.

Karp Loshak LTC Insurance Solutions is a trusted source of information on Long Term Care Insurance. Exclusively focused, their expertise includes traditional (standalone) Long Term Care Insurance, Asset Based and Hybrid LTC, and Life Insurance using LTC Riders to create customized plan designs, and maximize financing options for tax and estate advantages. As **independent brokers**, they affiliate with all the leading LTC Insurance carriers to navigate the myriad of options in today's marketplace.

The duo is well regarded for their educational platform and consultative approach. Recognized as a leading resource by national and local media, including the Wall Street Journal and Newsday, Karp Loshak LTC Insurance Solutions provides valuable advice to consumers and professional advisors.
